

# 2004 Contributions • EDD Memorial Fund

The EDD Fund would like to thank our 2004 donors and sponsors for bringing the EDD experience to more children and young adults than ever before. Through your generosity, we were able to launch a new soccer program this past year, which we will expand in 2005. We look forward to your continued support.

## February 5, 2005 at Windham Mountain

Through the Adaptive Sports Foundation, the EDD Fund sponsored a weekend of ski training for US soldiers injured in Iraq and Afghanistan. These six soldiers are amputees as a result of injuries received during their recent tours and are currently in rehabilitation programs at Walter Reed Army Hospital in Washington DC.

The soldiers had the opportunity to learn a new sport over three days at Windham Mountain. In addition to spending time on the mountain, several informational programs on prosthetic options and other adaptive sport programs for amputees were arranged for the soldiers.

# Join us for these upcoming events!

### The Hartman Cup & Adaptive Ski Festival Weekend

Join EDD Fund board members and volunteers for the Ralph Hartman Cup. The race is open to all physically & mentally challenged skiers and snowboarders who want to try racing, or experienced racers who want to gain more experience. The Hartman Race gives disabled skiers the opportunity to feel the excitement of "racing gates" and the satisfaction of finishing a racecourse. To these racers, "finishing is winning!"
